

Fee Schedule

1. TRADING FEES

CRX charges fees on executed notional only. There are no membership, connectivity, or data fees, and no fee applies to cancelled or unfilled interest. Fees accrue in USDC and settle daily from the margin account.¹

Exhibit 1 — Fee rates

Role	Basis	Rate
Maker	Executed notional	0.50 bp
Taker	Executed notional	1.00 bp
Settlement	Settled notional	0.00 bp

2. BILLING

Fees are computed per trade and debited once per day. The daily debit nets across all of an account's trades, and the ledger entry is visible on-chain at debit time. Disputed amounts are raised within five business days.
